## 1. Personal Statement

Whilst taking my responsibilities as an unpaid *Railfuture* director very seriously, believing my work to be for the greater good, I consider my involvement to be a hobby. I do not expect our members to pay me to indulge my hobby, and therefore I do not claim expenses for something I have chosen to do. I focus on what I can do for Railfuture not what it can do for me, and I never exploit our members for financial advantage. I claim for my costs only where I have been asked to do something beyond my remit by the Board or the chairman or where I have no control over my activities (hence I have claimed the internet & printing allowance). Therefore my expense claims are low. This has been the case since I joined the Board in 2005.

In February 2016 I suffered a short-term injury and was barely able to walk. As my attendance at the Board was required I claimed the additional costs (four taxi journeys) but waived my normal costs (train) as usual.

## 2. Summary
