

RAILFUTURE NATIONAL LIST OF RAIL USER GROUPS, SORTED A-Z

Compiled by Tony Smale for Railfuture (email: tony.smale@railfuture.org.uk) Last updated: Sept 2016

Notes:

- 1 "Rail User Groups" are independent organisations supporting the railways in their area and/or campaigning for service improvements.
- 2 See also these lists: Groups sorted by Region, Reopening Campaign Groups, National & Regional Passenger Bodies.
- 3 Not shown in this list: any Transport Committee / Forum / Action Group hosted by a local authority to which transport users are invited.
- 4 Also not shown in this list: station adoption groups (except any known to be actively campaigning for service improvements).
- 5 If you have trouble contacting a particular group, please ask me via the above email address and I may be able to help.
- 6 If you want me to generate a sub-list of rail user groups for a particular region or for a particular TOC, please ask via the above email address.
- 7 "May be extinct" = I've had no contact with the group and an internet search does not reveal any recent mentions.
- 8 Corrections and comments very welcome – please send details to the above email address.
- 9 See also footnotes at the end of this list.

Footnotes:

- 1 Friends of Station groups are included in the above list if they are known to have a wider remit, eg campaigning for service improvements. There are many other Friends of Station groups; these can be any or all of the following...
 - (i) sub group of a line user group
 - (ii) supported by a Community Rail Partnership
 - (iii) part of a scheme run by a train operating company
 - (iv) affiliated to the Association of Community Rail Partnerships (see www.acorp.uk.com).

For a definitive list of adopted stations in your area, you will need to contact the Stakeholder Manager of the relevant train operating company.
- 2 In addition to the Rail User Groups and Reopening Campaign Groups marked with an "A" in these lists, the following organisations are also affiliated to Railfuture:
 - ASLEF Cambridge Branch No 041
 - Lothian Cycle Campaign (SPOKES)
 - RMT Bristol Retired Members Branch
 - Transport Salaried Staff Association
 - Yorkshire Coast Community Rail Partnership
- 3 Over 40 officially-designated **Community Rail** lines or services are listed here: <https://www.gov.uk/government/publications/community-rail-routes>. A list of the lines and services, together with the CRP for each are listed **here: <http://www.networkrail.co.uk/asp/4622.aspx>. Most CRPs are members of the Association of Community Rail Partnerships: see www.acorp.uk.com (a map on ACoRP's website shows all CRP lines in the UK). Some of the CRPs have widened their scope to cover nearby lines/services. Some further "rail partnerships" have been set up for lines/services that are not officially designated.
