

## Campaigning for better services over a bigger railway www.railfuture.org.uk

## STATION COUNT FORM

This is a dual-purpose form. The top half is for multiple counts for the same station (e.g. for regular users of a station) typically where the counter waits at that station. The bottom half is for multiple stations e.g. where the counter is a passenger on a train that stops at several stations.

Station na				Counted by:						
Note: total passengers should equal men-			-women+cl	nildre	en; cyclists ar	d disabled are also counted with men, women and children				nd children.
Date	Time	Platform			Men	Women	Children		Cyclists	Disabled
Ctation			Doto Time		Platform		Doording Alighting
