Uckfield Traffic Improvements

**Come and see our proposals
to improve the centre of Uckfield**

**Have your say at
Uckfield Civic Centre on:**

**Friday 15 March 12 noon to 7pm
Saturday 16 March 10am to 3pm**

**The consultation closes
on 26 April 2013.**

Uckfield town centre already suffers from congestion and, with the additional housing already being built and further developments planned over the next 15 years, this is forecast to get worse.

In March 2012, East Sussex County Council and the Uckfield Town Centre Steering Group presented a number of proposals during a public exhibition and consultation aimed at tackling this congestion.

We have listened to your views and taken them into consideration when drawing up our proposals which will improve the town centre for pedestrians, cyclists and drivers alike.

Please come along to the exhibition at the Civic Centre or read our proposals online at eastsussex.gov.uk/haveyoursay from 15 March.

The consultation closes on 26 April 2013.
