

RAILFUTURE LIST OF RAIL USER GROUPS, SORTED BY REGION

Compiled by Tony Smale and Richard Bowry for Railfuture (email: tony.smale@railfuture.org.uk) Last updated: June 2023

Notes:

- 1 This regional list is generated from Railfuture's National List of Rail User Groups. Not included: groups that are solely "Reopening Campaign Groups".
- 2 The 14 regions are based on Railfuture Branch areas: Devon & Cornwall / East Anglia / East Midlands / Lincolnshire / London & South East / North East / North West / Scotland / Severnside / Thames Valley / Wales / Wessex / West Midlands / Yorkshire. Northern Ireland is also shown.
- 3 See also these lists: National List of Rail User Groups; National List of Reopening Campaign Groups; List of National & Regional Passenger Bodies.
- 4 If you have trouble contacting a particular group, please ask me via the above email address and I may be able to help.
- 5 "May be extinct" = I've had no contact with the group and an internet search does not reveal any recent mentions. Let me know if you revive!
- 6 Corrections and comments very welcome – please send details to the above email address.

Key:

A = affiliated to Railfuture (L=lapsed) ...but note that committee members of some non-affiliated RUGs are also individual members of Railfuture.

TOC1 **TOC2** Train Operating Companies – the operators of passenger services in the area represented by the rail user group (up to 2 shown; may be >2)...
