

Funding the future

Understanding your priorities.
As we jointly work together our bid for Funding Period 1 (2029-2034), we want to know your priorities of where funding should be allocated. To achieve this, we have a tool which we used previously for Control Period 7 (2024-2029).

Every stakeholder will be given 20 'points' which you can 'spend' on improving different aspects of the railway.

You can give 5 points, 2 points or 0 points to different aspects, and this will give us an understanding of what the most important things are for you in our region.

When you submit this form, it will not automatically collect your details like name and email address unless you provide it yourself.

* Required

1

Where do you want to 'spend' your points? You have 20 points. For each area you can spend 5, 2 or 0 points. Please keep below the 20 points, responses that go above this will need to be discounted to ensure credible data and feedback.
*

Extent of improvement	Definition	Cost
Significant improvement	The priority is given major attention, and by 2034 you will see a noticeable improvement in this area	**5 points**
Steady state	The priority is not given significant attention. It will get no worse, but it will not see a significant improvement until beyond 2034	**2 points**
Minimum reasonable attention	The priority is given the minimum appropriate attention for a modern railway. You may notice a decline in this area, but it will be functional and safe	**0 points**

Service punctuality – 5 points

Passenger safety

Public safety (ie level crossing users)

Track worker safety

Net zero emissions from railway activities

Weather resilience and climate change adaptation

Biodiversity and environmental management

Circular economy and social value

More enhancements to increase size of network (new stations, new services, new trains etc) – 5 points

Extending the life of existing infrastructure through maintenance

Reducing the age of assets through replacing (renewing) existing infrastructure (like-for-like replacement)

Accessibility (step-free access, disabled access, lifts, station assistance) – 5 points

Passenger experience at stations – 5 points

Passenger experience on-board trains

2

Optional: please let us know which organisation you're representing
