SATURDAY 7 DECEMBER 2019 – 14:00

Parish Room, Little St Mary's Church, Trumpington Street

GUEST SPEAKERS FROM GREAT NORTHERN (GTR) AND GREATER ANGLIA PLUS A PRESENTATION ON A LIGHT-RAIL-BASED CAMBRIDGE AREA METRO

Dr Colin Harris (pictured right) will present an illustrated update of the continuing work of **Cambridge Connect to get a light rail network adopted for the proposed Cambridge Area Metro (aka Cambridge Autonomous Metro - CAM) rather than a rubber-tyred system. Railfuture firmly believes rubber tyres on tarmac is not the way forward or even deliverable.**

Railfuture will be announcing the results from its 'Easy Stations' study, having visited more than 100 stations in East Anglia over the last two years to look at the facilities they do and do not have.

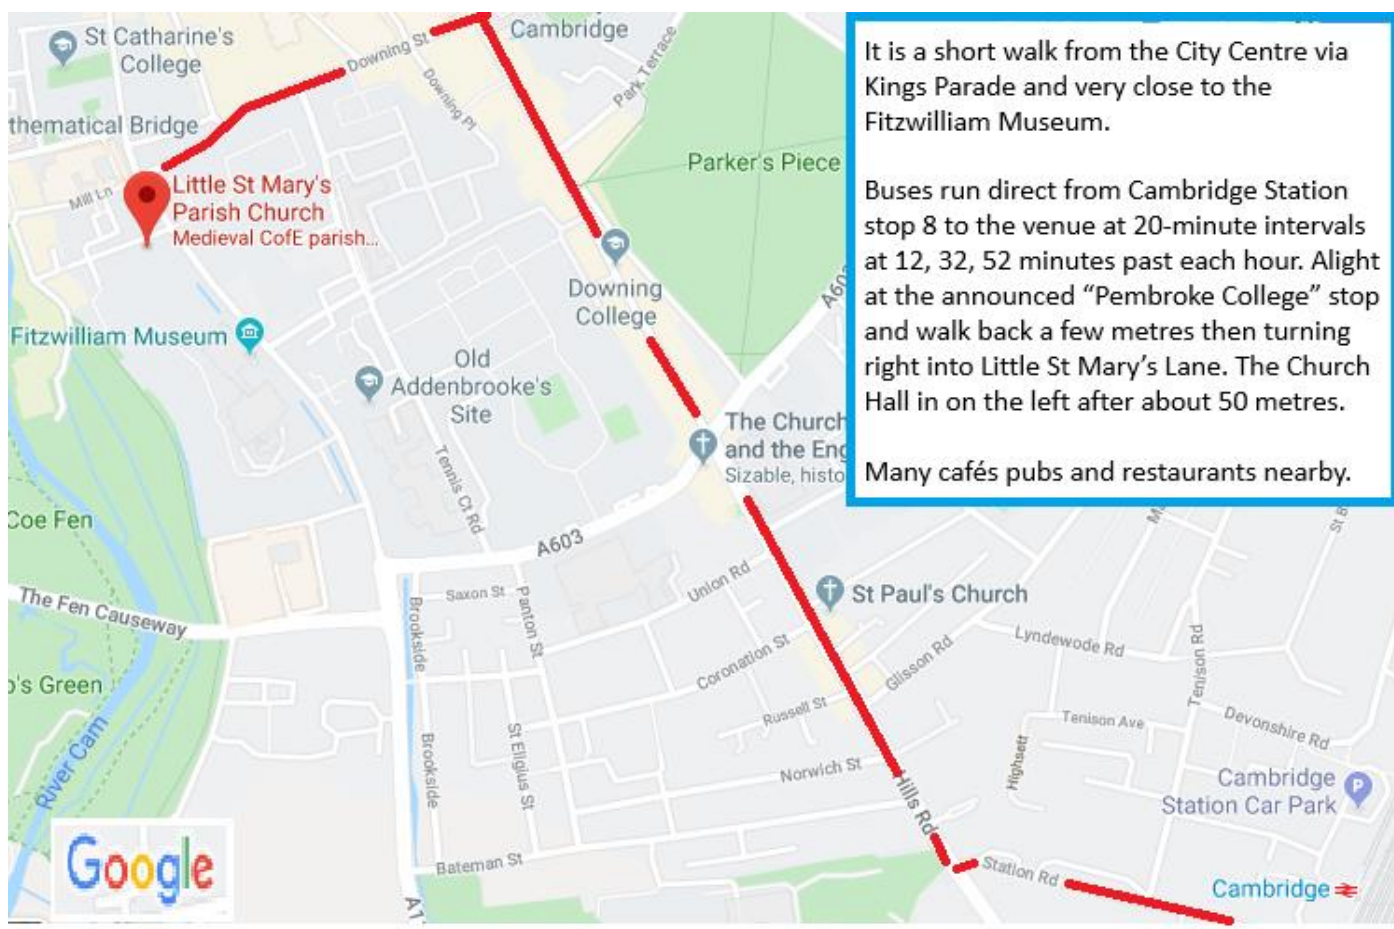

Alan Neville from **Greater Anglia** and Andrew Chillingsworth from **Great Northern**, which are the two main train operators serving East Anglia, will answer questions from the audience.

RAILFUTURE NATIONAL EVENTS

Sat 27th June 2020, AGM, Birmingham

Annual national conference 2020 TBC

www.railfuture.org.uk/conferences

Please do consider joining Railfuture. We are run entirely by volunteers. We spend a lot of time campaigning at a local level in East Anglia and across the whole of Great Britain for a better railway for everyone. The railway has seen many improvements where we have played a role in making the case. If you are a regular or occasional rail user, or if you just want to see lorries removed from our congested roads, then it could be the best £20 (£14 for under 26s) you've ever spent.

We are totally independent, funded solely by rail users. It takes two minutes to apply to join Railfuture paying using your credit or debit card via the safe and secure PayPay website.
