EAST ANGLIA BRANCH

Meeting for *Railfuture* Members and the Public - **FREE**

SATURDAY 24 FEBRUARY 2024 – 14:00

The Friends' Meeting House in St John's Street

BURY ST EDMUNDS IP33 1SJ

The venue is 10-15 minutes' walk from the railway station

Guest Speaker: ALAN NEVILLE, Greater Anglia

This public meeting will begin with a presentation by Alan Neville, Customer and Community Engagement Manager at Greater Anglia. He is a familiar face to Railfuture members and those who attend Rail User Group meetings, having been with the railway for 43 years, so he really knows his subject. Alan will not be using PowerPoint so there will be plenty of time for questions. Railfuture has prepared some challenging ones to kick off with.

After a break for refreshments, at 15:00, the East Anglia branch AGM will include a report from the outgoing chair, Nick Dibben, including an update of Railfuture campaigns across East Anglia, plus the election of the committee for 2024/25. Everyone is welcome to stay for the AGM, but only Railfuture members in the East Anglia branch will be able to vote.

Campaigning for a bigger and better railway

Railfuture campaigns on behalf of the public for a high-quality railway that people want to use, and to transfer goods from lorries to the railway. We are all volunteers, and our work is funded solely by the public and we work for your interests. Our meetings are for you so do take part and maybe join for £20 a year (£14 for under 26s) – www.railfuture.org.uk/join.

Directions to the Friends' Meeting House, Bury St Edmunds IP33 1SJ

The St. John's Street entrance is opposite the bus station and car park, the entrance from St. Andrew's Street is best for those walking from the railway station, which is about 10 minutes away. Light refreshments will be available. There is a good range of cafés and restaurants nearby.

The direct walking route from the station is along Station Hill, over the roundabout into Ipswich Street to the end, which then becomes St John's Street. The venue is on the right.

Please do consider joining Railfuture. We are run entirely by volunteers. We spend a lot of time campaigning at a local level in East Anglia and across the whole of Great Britain for a better railway for everyone. The railway has seen many improvements where we have played a role in making the case. If you are a regular or occasional rail user, or if you just want to see lorries removed from our congested roads, then it could be the best £20 (£14 for under 26s) you've ever spent.

We are totally independent, funded solely by rail users. It takes two minutes to apply to join Railfuture paying using your credit or debit card via the safe and secure PayPay website. Existing members now also have the option to [renew](#) by Direct Debit (using GoCardless).
