Please do consider joining Railfuture. We spend a lot of time campaigning at a local level in East Anglia and across the whole of Great Britain for a better railway for everyone. The railway has seen many improvements where we have played a role in making the case. If you are a regular or occasional rail user, or if you just want to see lorries removed from our congested roads, then it could be the best £18 (£14 concessions) you've ever spent.

We are totally independent, funded solely by rail users. It takes two minutes to apply to join Railfuture paying using your credit or debit card via the safe and secure PayPay website.
