EAST ANGLIA BRANCH

Meeting for *Railfuture* Members and the Public - **FREE**

SATURDAY 4 DECEMBER 2021 – 14:00

The Signal Box Community Centre, Glenalmond Avenue

CAMBRIDGE, CB2 8DB

The venue, south of Hills Road bridge, is an eight-minute walk from Cambridge station entrance (via the path next to the guided busway)

Guest Speaker: MATT BRENNAN, ANGLIA ROUTE SPONSOR at NETWORK RAIL

The most-important rail upgrade needed in East Anglia is at Ely North Junction, as it is a major capacity bottleneck with implications across the region. The Ely Area Capacity Enhancement (EACE) scheme is being developed to allow more trains to run. The latest public consultation ends on 28 November 2021, a week before this public meeting.

Matt will be speaking about Network Rail's proposals, including feedback received. It will be an opportunity to ask questions about the scheme, and perhaps influence it!

Matt will be accompanied by Stephen Deaville, Snr Communications Manager. This is the first meeting with a guest speaker since COVID-19. Don't miss it!

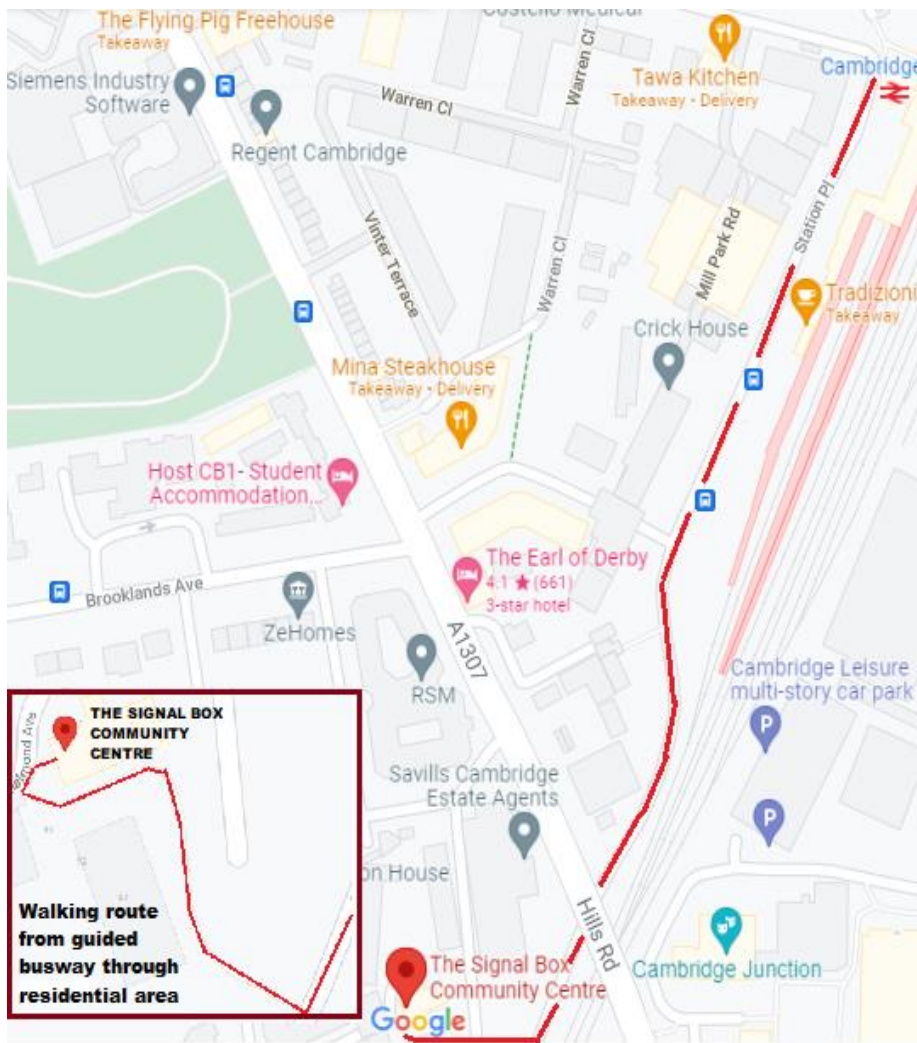

The presentation will be followed by a break for refreshments, and then an update of Railfuture campaigns across East Anglia.

Please do consider joining Railfuture. We are run entirely by volunteers. We spend a lot of time campaigning at a local level in East Anglia and across the whole of Great Britain for a better railway for everyone. The railway has seen many improvements where we have played a role in making the case. If you are a regular or occasional rail user, or if you just want to see lorries removed from our congested roads, then it could be the best £20 (£14 for under 26s) you've ever spent.

We are totally independent, funded solely by rail users. It takes two minutes to apply to join Railfuture paying using your credit or debit card via the safe and secure PayPay website.
