EAST ANGLIA BRANCH

Meeting for *Railfuture* Members and the Public - **FREE**

SATURDAY 7 DECEMBER 2024 – 14:00

Marlowe Room at the **Clayton Hotel**, 27-29 Station Road

CAMBRIDGE, CB1 2FD

Please note: This is a change of venue (replacing our usual venue)
The venue is a two-minute walk from Cambridge station entrance along Station Road, and is the big hotel on your right.

Guest Speaker: PHIL HUTCHISON, Head of Strategic Planning, GTR

One of Phil Hutchison's main roles is developing train timetables, which need fine tuning to cram in as many services as possible whilst having a reliable railway. No-one claims this is an easy task!

Phil last spoke to Railfuture in 2017 at the national AGM, on the day before Cambridge North station opened. He now has to worry about trains calling at Cambridge South station (from 2025), which has two additional tracks and enhancements at Shepreth Branch Junction and at Cambridge station to improve capacity and reliability.

In addition to this presentation there will be an update of Railfuture campaigns across East Anglia and a chance for you to express your views and ask questions.

Campaigning for a bigger and better railway

Railfuture campaigns on behalf of the public for a high-quality railway that people want to use, and to transfer goods from lorries to the railway. We are all volunteers and our work is funded solely by the public and we work for your interests. Our meetings are for you so do take part and maybe join for £20 a year (£14 for under 26s) – www.railfuture.org.uk/join.

Directions to Marlowe Room at Clayton Hotel, 27-29 Station Road, Cambridge, CB1 2FB

The Marlow Room is on the first floor. As you enter the hotel, take the spiral stairs and it will be on the left-hand side. There is also a lift.

Tea/coffee will be provided by Railfuture. However, as we have to purchase this from the hotel, we would really appreciate donations of £1 or £2, please.

RAILFUTURE NATIONAL EVENTS

**Sat 5 July 2025, AGM, North East England
(Northumberland line opening)**

Please consider joining Railfuture. We are run entirely by volunteers and campaign at a local level and across Great Britain for a better railway for everyone. The railway has seen many improvements where we played a role in making the case. If you are a rail user, or just want to see lorries removed from our congested roads, then it could be the best £20 (£14 for under 26s) you've ever spent. We are totally independent, funded solely by rail users. It takes two minutes to apply to join Railfuture paying with your credit or debit card via the safe and secure PayPay website. Existing members now have the option to [renew](#) by Direct Debit.

Apply to join online at www.railfuture.org.uk/join
