Mr Haynes will tell us about the aims and progress towards the aims of the railway company. Sheringham level crossing has re-opened, and an appeal has been launched to purchase land for the railway into Holt town.

You will have heard about the project but this the first time we will have been given a detailed explanation of what it is all about. Please come and make Mr Haynes's efforts worthwhile.

After the presentation, there will be the business part of the meeting including Chairman and Secretary's round up the year, the election of the officers and committee, treasurer's report.

There will be discussion regarding the priorities for the forthcoming year.

*THE St. John's Street entrance is opposite the bus station and car park, the entrance from St. Andrews Street is best for those walking from the railway station, which is about 5 to 10 minutes away. Light refreshments will be available. There is a good range of cafés and restaurants nearby.*
