## EAST ANGLIA BRANCH

Meeting for *Railfuture* Members and the Public - **FREE**

**SATURDAY 24 FEBRUARY 2017 – 14:00**

Friends Meeting House, St John's Street

**Bury St Edmunds IP33 1SJ**

### Guest Speaker

## **LISA BARRETT**

**Network Rail, Senior Programme  
Development Manager for East Anglia**

Network Rail is responsible for operating and enhancing our railway. East Anglia is a growing region and much of its rail network is at capacity so there are a lot of infrastructure schemes that urgently need to come to fruition. Our guest speaker will know better than most what needs to be done, what is planned to be done, and the realistic delivery dates.

Lisa is kindly giving much of her day to speak to us in Bury St Edmunds so a full house would be wonderful. She is completely on top of her brief and will be able to provide informative answers to questions from those present.

After the presentation and a tea/coffee break, there will be the East Anglian branch **AGM** with the Chairman and Secretary's round-up of the year, election of the officers and committee, treasurer's report. Only branch members can vote. There will also be an open discussion regarding the campaigning priorities for the forthcoming year. It's your chance to influence the railway.

*The St. John's Street entrance is opposite the bus station and car park, the entrance from St. Andrews Street is best for those walking from the railway station, which is about 5 to 10 minutes away. Light refreshments will be available. There is a good range of cafés and restaurants nearby.*
