Promoting Britain's Railway for Passengers and Freight

*Railfuture* campaigns on behalf of the public for a bigger and better railway. We are funded solely by the public and we work for your interests. Our meetings are for you so do take part and maybe join from £18 a year (£14 concessions).

We are very pleased that **Jamie Burles, Abellio Greater Anglia Railways' Managing Director** has agreed to speak to us about aspirations for the next GA franchise, which will begin in late 2016.
