GUEST SPEAKER – LIZ WITHINGTON

Liz Withington in from the Sheringham Dementia Friendly Community and will be talking about making the railway dementia friendly

This is an accessibility issue facing the railway that is rarely mentioned and many people have no idea what can be done to make it easier for people with dementia to travel. Liz is also Deputy Mayor of Sheringham.

There will also be speakers from rail user groups across the region who will provide information about their campaigning work.

Followed by a *Railfuture* branch update on East Anglia's railway and our on-going campaigns to make it better (see www.railfuture.org.uk/east/rail-east).
