New *railfuture* book

A-Z guide
published
in 2017

Ideal
Christmas
present

- New stations
- New lines
- 57 years of success
- An invaluable record
- A reference book

This book is "indispensable not just to rail campaigners but transport professionals, local authority politicians – and those chap/esses in Government".

Paul Salveson, professor in transport and logistics at the University of Huddersfield

"Railfuture achieves excellent work in many fields and its latest publication – *Britain's Growing Railway* – is a superb read for those wanting facts and figures relating to more than 400 stations that have either reopened or were new since 1960."

Barrie Doe RAIL magazine
