

## Latest trains to March and Ely

Similar sized rail served towns 12 miles apart. Is there much difference in the latest departure times from other stations in East Anglia?

The Ely to March and Peterborough line needs to be served by significantly later evening services

Sunday services are equally poor from March with the service not starting until the 1109 to Peterborough and 1209 to Ipswich

Railfuture is the UK's leading independent organisation campaigning for better rail services for passengers and freight. Railfuture is a voluntary group representing rail users, with 20,000 affiliated and individual members. It is not affiliated to or funded by train companies, political parties or trade unions.

Railfuture East Anglia influences transport policy and rail developments in the region, working with the rail industry, councils, rail user groups, Community Rail Partnerships, Local Enterprise Partnerships, MPs and elected officials.

Railfuture East Anglia holds four meetings a year for its members, which are open to the public, usually in Bury St Edmunds, Cambridge, Ipswich and Norwich with speakers including influential people from the rail industry. Members receive a quarterly local newsletter RailEast.
