

railfuture New stations and lines

EAST ANGLIA

Railfuture East Anglia is campaigning for a number of line and station reopenings in Cambridgeshire to support growth in the region. This includes reopening the railways to Wisbech and Haverhill, relinking Cambridge to Bedford and Oxford via an East West Rail line, and a number of station reopenings in the Cambridge area. After many years of lobbying these are included in the relevant local transport plans, but need continuing support to push them through to completion.
